## **HAMILTON FRASER INSURANCE**

### **ATTENDS RCN FORUM FOR NURSES IN AESTHETIC MEDICINE**

**Hamilton Fraser Insurance is attending the annual RCN conference for nurses in aesthetic medicine at the Royal College of Physicians. The event, which takes place on Thursday 10<sup>th</sup> September, is set to attract aesthetic nurses from all over the UK to see leading industry specialists and gain a deeper insight into the aesthetic profession.**

Hamilton Fraser Insurance will be at the event to promote their Aesthetic & Cosmetic Professional Liability Insurance Policy. The policy provides extensive cover for aesthetic practitioners at a reduced rate!

Starting from as little as £625 a year aesthetic nurses will now be able to benefit from medical malpractice cover, products liability protection and work away public liability cover. The policy also provides personal accident protection, all under one simple policy contract. This is in addition to the excellent standard features of the current policy including breach of professional confidentiality.

Eddie Hooker, Managing Director of Hamilton Fraser Insurance has been at the forefront of developing affordable professional liability insurance for the aesthetic medicine industry for over 15 years, said:

*"We are committed to supporting the RCN's involvement with the aesthetic industry and we take great delight in being able to meet with nurses who are just entering the aesthetic field for the first time as well as those who are specialists in the industry".*
